Lakeview

by Janet Quillman, LTIA President

It's hard to believe that another year has passed and we find ourselves at the start of a new one. But before we talk about all of the exciting things to come and start begging for your 2016 membership dues, we need to thank everyone for a great 2015.

In November we hosted the Fall Festival at the clubhouse, couldn't have asked for better weather and had a record turnout. Great music, good food and beverages, games and crafts for the kids and shopping. Thanks to Shelby for organizing all the volunteers and donating the wine. After expenses we came out ahead and have a few more dollars to put towards improvements to the clubhouse.

We finished the year with our kids' Christmas Party and Chili Cook-Off. The kids at Tishomingo must have been good throughout the year because Santa arrived and had gifts for everyone. Thank you Santa for making this another memorable Christmas. The evening brought out the talented cooks at Lake Tish for the chili cook-off. We had 7-entries; Kevin Scheirich, Amy Luttrell, Carol Kohonen, Barb Rohm, Rick Quillman, Kelly Stephens and Chyree DeRoode. Among the traditional red chili we had two white and all were wonderful. We changed things up this year and had an official panel of judges and a blind tasting. Pretend you're hearing

Calendar

Jan	10	Sun	5:30 pm	LTIA Dinner Meeting, Soup and Sandwich
Jan	12	Tue	7 pm	LTPOA Board Meeting
Feb	9	Tue	7 pm	LTPOA Board Meeting
Feb	14	Sun	5:30 pm	LTIA Dinner Meeting

the drum roll, a unanimous vote of the judges awarded the coveted 2015 chili apron to two-time past chili champ Rick Quillman.

To help us jump start membership for 2016 we held a raffle for the "Fabulous Prize Package". All members who paid 2016 dues by the December meeting were entered for a chance to win. Thanks to Rosie Ferrell for donating a fabulous holiday centerpiece and John and Julie Johnston a wine and chocolate basket. The lucky LTIA members were Don and Rhonda Kidwell.

Among the many fabulous plans for the year the biggest is always the July 4th celebration. Moving into 2016 we unfortunately have a shortfall in the fireworks fund. To turn this around and make it someone's fortune we will begin selling raffle tickets at the January dinner meeting. The plan is to sell 100 tickets for \$40 each. We will have a drawing at the March meeting, 1st prize will be \$350 and

2nd prize \$150. This will net the Lake Tish fireworks fund \$3500 to reach our goal of \$7500.

The theme for the January dinner meeting will be comfort...soup and sandwich night. The LTIA will provide pulled pork and chicken, bring a soup, salad, side or dessert to share. Don't forget your checkbook to pay your dues and buy the winning ticket for the fireworks raffle. At the January meeting we will decide what is on the menu for February. The meeting will fall on Valentine's day so keep your sweetheart in mind and make recommendations for his or her favorite.

We have plans in the works for trivia night in Spring, one possibly two Boat Poker Runs and the Fall Festival. It's always easy to stick with what you know; we are however open to new ideas. We hope you will join us at an upcoming dinner meeting and help us revitalize an old idea or propose something new. 

LTIA Membership - 2016

Yes, here is my membership to LTIA. This will help to support the Lake Tishomingo improvement projects and maintain the Community House.

Membership includes attendance at LTIA dinners, free classified ads in the Tishomingo News, children's holiday parties and discounted entry to LTIA sponsored fundraisers when applicable.

Please enclose your check for \$40 payable to "LTIA" and send to:

LTPOA News

by Steve Blaha, LTPOA President

LTPOA President's Report

Greetings, As we bring 2015 to a close and prepare for winter I would like to Thank the Board members of not only the LTPOA but also the LTIA & PWD#13 for all the effort put forth to the common good of the Lake Tishomingo Community. THANKS! With that said, we are still looking for a couple of persons to be on the Sewer Board. I would like to also wish all of the community a very Merry Christmas and a Happy New Year as well.

There were five oak trees that were dead and leaning in the wrong direction near the Community House and Sales Office. To minimize cost, we just had these trees dropped to the ground and left for those in the community who burn wood. They are available on a first come, first served basis. Please be Careful!!

Steve Blaha

Gate Committee

The gate committee needs a volunteer to help with the maintenance of the gate database. The database contains the entry codes, card codes, and directory listings that control entrance through the ingate.

The data entry is a done remotely via an internet connection to the gate computer.

We need someone who is comfortable with computers and can spend about 20 minutes per week responding to property owners requests for codes, cards, and listings.

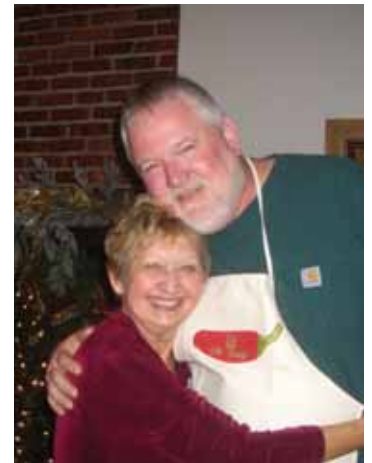

All requests are submitted via the website and responses are via email. Property owners should make any requests at least 10 days in advance to allow the volunteer enough time to process the request.

Questions? contact gate@laketish.com. To volunteer, contact any LTPOA board member.

Christmas Party

LTPOA Meeting Minutes November 10, 2015

Board Members Present: Steve Blaha, Mike Steeno, Marilyn Meyer, Doug Leeker, Shelby Reneski, Roy Hummel and Ken Stojeba.

President Blaha called the meeting to order at 7:05p.m. There were 9 residents in attendance and all recited the Pledge of Allegiance.

President's Report

President Blaha started the meeting by thanking all the Veterans at that meeting tonight, as Veterans Day is tomorrow.

Steve commented on how much fun the Fall Fest was the previous Saturday.

President Blaha asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, President Blaha asked for a motion to dispense with the reading of the minutes and approve them as printed. Ken made a motion to waive the reading and approve the minutes and it was seconded by Doug. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for October 2015. Please see the attachment. Ken made a motion to accept the financial report and it was seconded by Doug. MOTION PASSED.

Marilyn asked for approval to pay bills totaling \$57,032.41. These bills include 4th quarter legal (\$675.00), Val Silhavy for cleaning brush around bridge and beach front (\$625.00), Janet Hirsch for supplies and keys (\$67.12), the portable toilet (\$90.00), Ken Stojeba for the truck and snowplow maintenance and supplies (\$409.29), CEG Paving for road work (\$52,484.00), postal permit (\$225.00) and Mooney Landscapes for path work (\$2,457.00). Shelby made a motion to pay the bills and it was seconded by Mike. MOTION PASSED.

Marilyn reported that as of November 10th, \$163,262.74 had been collected in assessments. There are currently 10 unpaid assessments totaling \$5,162.29.

Building

Doug Leeker reported that he had an application from Elmer Richars for a new garage addition. Doug stated that all of the paperwork looks good and he has all of his Jefferson County permits. Doug made a motion to approve the garage and it was seconded by Shelby. MOTION APPROVED.

Security

Roy Hummel reported that there was nothing new to communicate.

Gate

Rich Hirsch reported that the gate arm was removed and it was off November 2nd, 3rd and 4th. Rich has a picture of the license plate from the automobile of the individual who took the gate arm off. Shelby stated that she could not find the name of the owner of this automobile, as the plate is not properly registered.

Shelby asked whom to contact if your gate card stops working. Rich stated that Ken Jost is the person to contact regarding entry cards.

Maintenance

Ken Stojeba reported that he picked up a new cutting edge and shoes for the snowplow.

Ken stated there is a tree in the water and it is going to be difficult to remove it. Steve stated that we are going to have to contact the property owner first, to get approval to bring machinery through his yard to remove the tree.

LTIA

Shelby Reneski reported that the Fall Fest was a big success

and the LTIA had a gross profit of over \$1,500.00. She stated that we hope to move the Fall Fest to October next year. Shelby reported that the Thanksgiving dinner meeting is scheduled for this Sunday, the 15th. She stated that the December dinner meeting is a chili cook off on December 13th. The children's Christmas party is scheduled for earlier the same day.

Finance

Janet Hirsch stated there was nothing new to report.

Web

Janet Hirsch reported that the deadline for the next newsletter is December 20th.

Parent's Club

No report.

Garden Club

No report.

Sewer Board

Marilyn Meyer reported that they are still looking for two more people for the board.

Water Testing

No report.

Dam Report

Rich Hirsch reported that if there is a ground hog in the hole, he is hibernating because there is a pie pan positioned at the opening and it has not been disturbed.

Rich reported that it looks like there is more water at the base of the Dam, by the treatment plant, but that could be the result of the ground not soaking up the seepage.

Old Business

President Blaha reported that the property at G64 and G65 that was purchased by Shirley Winslow, has still not been claimed and she has not taken ownership.

President Blaha reported that path at the Dam on the south side has been resurfaced.

Steve reported that by adding eight inches of asphalt to the road at the lakefront, as discussed in the previous months minutes, we would be creating a designated area for the water to flow over if the culverts became clogged during a heavy rainfall.

Steve stated that at the Fall Fest he was approached and asked about getting a professional striper to paint the curves. Steve said that he asked CEG Paving for a recommendation and they told him they use Bob Otto. He charges 50 cents a foot and adds glass beads in the paint for reflection at night. Ken made a motion to have stripes painted on the curves and it was seconded by Doug. MOTION PASSED.

President Blaha reported on the lakefront area that has been eroded by the June rainstorm. Steve said he has gotten two bids to repair the area. The price from McLaren Grading came in at \$13,500, about \$10,000 less expensive than the other bid of \$23,380 from Kozeny Wagner. Mike made a motion to accept the McLaren bid and it was seconded by Ken. MOTION PASSED.

Steve stated that he also had McLaren Grading give us a bid on remove the silt. It would be about \$600 cheaper if we had him remove the silt while he has his machinery here completing the other project. The bid is the same amount as last year, \$7,000. Roy made a motion to accept the bid to remove the silt and it was seconded by Ken. MOTION PASSED.

John Johnston reported that he is working on getting bids for a new electrical panel, a new light and fixtures at the guard shack.

New Business

Ken Stojeba reported that he contacted Charter about getting

LTPOA Meeting Minutes December 8, 2015

Board Members Present: Steve Blaha, Marilyn Meyer, Shelby Reneski, Roy Hummel and Ken Stojeba.

President Blaha called the meeting to order at 6:55p.m. There were 4 residents in attendance and all recited the Pledge of Allegiance.

President's Report

President Blaha started the meeting by thanking everyone for attending the meeting this evening.

Steve reported that CEG Paving sent the LTPOA a \$200 gift card for Christmas and Steve plans to donate the gift card to the LTIA to use at the Christmas party or any other way they decide.

President Blaha asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, President Blaha asked for a motion to dispense with the reading of the minutes and approve them as printed. Ken made a motion to waive the reading and approve the minutes and it was seconded by Marilyn. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for November 2015. Please see the attachment.

Marilyn reported that there were 4 delinquent assessments and she stated that Mike Steeno was able to locate the owner of one of the delinquent assessments, as we did not have her address. The owner contacted Marilyn today and said she would be sending the payment to Marilyn. Marilyn suggested that we file liens on the others to avoid the cost of additional legal costs. Marilyn reported that she has collected \$165,687.74 in assessments this year, which is more because of the additional legal fees collected. Marilyn stated there is approximately an additional \$3,000

to be collected.

Ken made a motion to accept the financial report and it was seconded by Roy. MOTION PASSED.

Marilyn asked for approval to pay bills totaling \$1,508.50. These bills included the portable toilet (\$90.00), Advanced Pest Control (\$30.00) Boss for lane stripes (\$1,350) and Shelby Reneski for wine for the "Welcome Baskets" (\$38.50). Shelby made a motion to pay the bills and it was seconded by Roy. MOTION PASSED.

Building

President Blaha reported that Doug Leeker sent an email reporting that everything was moving along and there was nothing new to report.

Security

Roy Hummel reported that last month he received a call stating there was some piggy backing through the gate and it looked like a party was forming at the lakefront. Roy stated that he went down to check and it was adults and they had built a bonfire. Roy asked them to make sure they kept the music down, so they turned it off and Roy asked them to abide by the curfew and they responded that they would.

Gate

Rich Hirsch reported the only problem was some abuse of the gate codes. A code assigned to a resident realtor is being used about 2.5 times a day. The new owner of lots K17 and 18 is using the previous owner's code. Rich stated that he terminated the code because the new owners need to get their own code, if they

LTPOA Minutes continued from previous page

have any contractors.

Maintenance

Ken Stojeba reported that the tree in the lake is on Lake Tishomingo easement and he is waiting on bid to remove the tree.

Ken reported that we are still waiting on a bid for the panel at the guard shack. Rich Hirsch reported that John Johnston has a bid from someone that is sick right now and we will probably utilize this contractor, as no one else has returned our calls for bids.

LTIA

Shelby Reneski reported that the children's Christmas party is scheduled for this Sunday starting at 1:00 and the chili cook off is this Sunday at 5:30.

Shelby reported that we are still taking donations for the pantry.

Shelby stated that anyone that has paid his or her 2016 dues by the end of this year, will be entered into a drawing for a fabulous gift.

Finance

No report.

Web Site

Rich Hirsch reported that the deadline for the next newsletter is December 20th.

Parents Club

No report.

Garden Club

Rich Hirsch reported that they would be decorating the sales office for Christmas tomorrow morning.

Sewer Board

Marilyn Meyer reported they are still looking for 2 more board members and the board meeting is next Tuesday, December 15th.

Water Testing

No report.

Dam Report

Clarue Holland reported that she noticed that the seepage from the dam is coming from a different area than from the previous years. She would like to have a collection pond built next spring.

Clarue reported that the groundhog is back in the burrow, she believes, because she put some rocks and a pie pan at the opening and it looks disturbed. Rich believes that it might be a skunk.

Clarue said she would check with Red Oak to see about getting the Dam cut at the end of March or the first of April.

Old Business

President Blaha reported that there are three other corners along the road that he would like to have the brush cleared for visibility, one on the south side (F-57) and two on the north side (N-1 and M-48). Steve stated that he has gotten some positive feedback on the other areas that we have cleared. He would like to have Val Silhavy and Sheila Frauenfelder clear those areas. Shelby made a motion to have the brush cleared in these three areas and it was seconded by Roy. MOTION PASSED.

New Business

President Blaha reported no new business.

President Blaha stated that he would like to thank Ed Hill for all of this previous help striping the roads.

Steve announced that he would like to wish Al Ferrell a happy 70th Birthday!

With no new business to discuss, Shelby made a motion to adjourn and it was seconded by Roy. The meeting adjourned at 7:26.

a bid on having Cable and Internet installed at the Community House. The cost would be \$1,350 per year. Marilyn stated that the LTPOA does not own the Community House and we should not be responsible for this charge. It was decided to table this discussion until speaking with the LTIA and Parents Club.

President Blaha reported that we have 5 dead trees behind the Sales Office and hanging over the Community House. He has gotten a bid from Gills Tree Service for \$1,125. There is another tree that is dead right behind the school bus shelter and the bid to remove it is \$475. The total for the 6 trees would be \$1,600. Steve reported that Gills Tree Service is insured and bonded. Doug made a motion to have the trees cut down by Gills Tree Service and it was seconded by Mike. MOTION PASSED.

With no other new business to discuss, Marilyn made a motion to adjourn and it was seconded by Ken. The meeting adjourned at 8:05.

Lake Tishomingo Community Sewer Report

by Janet Hirsch

The district is seeking volunteers to help with monitoring the sewer system and making business decisions.

Proper and efficient operation of our sewer system is vital to maintaining the quality of the lake. If you appreciate clean lake water you should consider serving on the sewer board.

New Secretary

The District is very fortunate to have Lynn Goetz as the new secretary. Lynn also helps the LTPOA as financial book-keeper. Thank you, Lynn.

Wanted: Directors

The directors meet monthly to review the treatment plant and collection system operations, Missouri One-Call, and financial reports. Directors frequently interact with the treatment plant operator and homeowners to answer questions and provide assistance.

The director qualifications are specified by Missouri law. The position is open anyone at least twenty-five years old who has resided in the district for at least one year and is not delinquent in the payment of taxes.

There are many reasons to volunteer for these positions. Everyone has something to contribute. The best reason is to take your turn serving the community. Over the years many many people have served on the LTPOA and LTIA boards. Many also have volunteered for committees in these organizations. Now the sewer district is asking for help. The meetings are only once a month and generally last about an hour.

If you have questions about the director positions contact Marilyn, Rick, or Brian, listed above.

The next meeting of PWSD#13 is 5pm Tuesday January 19 in the Sales Office, 5706 N Lakeshore Dr. The board can change future meetings times to accommodate the schedules of participants.

Missouri One-Call

The District is a part of the Missouri One-Call System. (The system was formerly known as "Dig Rite.") Missouri law requires that any person making or beginning any excavation notify MOCS at least three but not more than ten working days in advance, except in the case of an emergency.

Placing a locate request is free and easy! Call 1-800-DIG-RITE (800-344-7483) or 811 or place your request online at <http://www.mo1call.com>.

Before you start any excavation project at your Lake Tish property you must notify Missouri One-Call to have the sewer and other utility lines marked.

Proper and efficient operation of our sewer system is vital to maintaining the quality of the lake.

Payment Options

Sewer user fees due by the 10th day of each month. Sewer user fees are **delinquent** if not received by the district on the 21st day of the month. This does not mean "check date" nor "postmarked." It means **received by the district**. Any accounts with balances due on that date will be charged the late fee.

Homeowners are encouraged to consider automatic payment of the sewer bill. The invoice postcards are issued the first of every month and payment is due on the tenth of that month. Payments not received by the 21st of the month are delinquent and subject to lien and prosecution.

The Billing & Payment Options brochure is available at the website. Visit :
