Lakeview

by Janet Quillman, LTIA President

All I can say is we are all about the fun.....or at least we try to be when we aren't asking for money! Most times we are just trying to do both and have fun while raising a few dollars. If you didn't make it to this year's trivia night you missed the fun.

Barb McGlynn and her girlfriends Beverly and Barb, the trivia twins, did a great job organizing, putting together the questions, and keeping us thoroughly entertained. The only thing missing were a few tables, we had seven tables this year. The winners took home 25% of the door and the non-winners took home Smarties. We awarded a prize for the best decorated table, had a 50/50 raffle with proceeds going to fireworks and had an intermission with a game of heads or tails. Thanks to everyone for making this a great laughter filled evening.

Moving into May we will host the monthly dinner meeting on the 3rd Sunday, the 15th. Get your taste-buds ready, our resident LTIA chef and grillmaster Rick Quillman will be flipping burgers; bring your favorite side or dessert to share. Our June meeting will be on Sunday the 12th, we are keeping things easy breezy and asking everyone to bring their favorite appetizer. Weather permitting we will enjoy the sunset with cocktails provided by the LTIA on the patio.

2016 4th of July Fireworks Display REGULATIONS

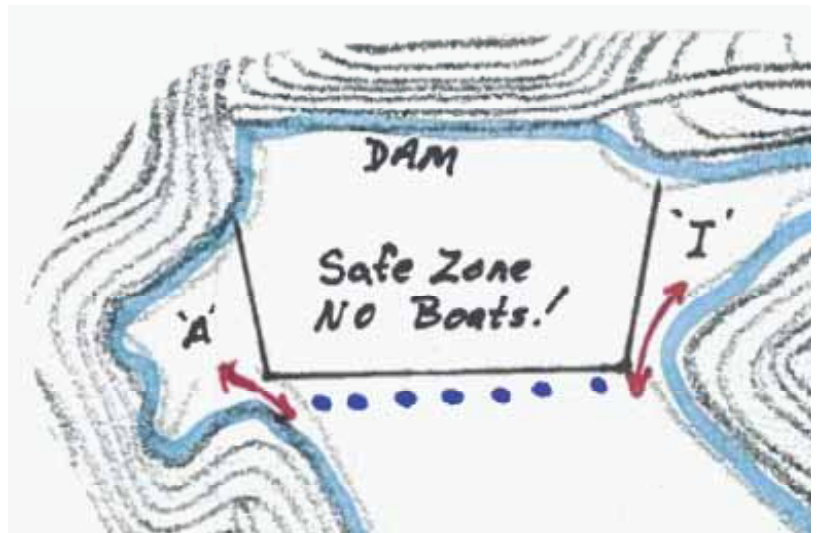

The state fire marshal has set a 500 ft. SAFE ZONE during the set-up until after the display. This means that the "A & I" coves will be off-limits to non-residents of these coves. The residents leaving and entering those coves will be required to do so using a route closest to the shoreline as indicated in RED on the map.

The SAFE ZONE will be marked with a line of buoys. DO NOT ENTER THIS AREA!!! The fireworks will begin at 9:30pm. It is MANDATORY that we follow the fire marshal's request or the display WILL BE CANCELED. Thanks in advance for your cooperation, the LTIA Board.

RED line-path for boats entering and leaving A & I coves.

BLACK line-NO boats allowed beyond this point.

Dots-buoys marking SAFE ZONE.

Come Celebrate - Independence Day

 June 26th Ice Cream Social & Coronation
 July 4th Boat Parade, 12:00pm
 Fireworks @ 9:30

Lakeview continued from page 1

July and August we will be on summer break and meetings will resume in September.

Now for the main event.....Independence Day! The July 4th celebration will be here and gone in a flash. To supplement last year's collections for this year's display we sold raffle tickets for \$40 each and a total of 64 tickets were sold. The payout was big but the payback was bigger. Our winners were 1st place Rick and Gail Lippitt and 2nd place Tom McMaster both donated winnings back.

The raffle however doesn't mean collections are over; we will still collect this year for next year. So far we have Alex Kittel running for Mr. Tishomingo. He is planning on being crowned the winner at the annual ice cream social to

be held on Sunday, June 26th, time to be announced. He is not afraid of competition so if anyone else is interested in running contact any of the LTIA board members. We will host the boat parade on the 4th. This year the parade will begin at noon, check-in begins at 11:45am. Fabulous boat flags will be awarded to the 1st, 2nd and 3rd place boats. The fireworks display will begin at 9:30 pm. As we did last year, we will be required to keep and maintain a 500-foot safety distance from the dam. The area will be roped off that morning and stay in place until after the fireworks crew leaves.

Don't forget the party is not over after the 4th, we are still accepting memberships for 2016. Thanks to everyone who has joined us for another year.

Lake Tishomingo Property Owners Association

LTPOA News

As April comes to a close things at the Lake are preparing for a FUN & SAFE Summer. Please re-read the Water Activities Rules & Regulations found on our website by clicking on Rules & Regulation on the top left hand side of the home page, then click Fishing & Water Use Rules.

Two of the most noticeable abuses are

- **no running lights at night**
- **pontoons not obeying the no wake rule.**

Another item is driving with your docking lights on. This blinds the on-coming boaters. It's like driving your car with the high beams on. Please be safe, courteous, & helpful to all boaters again this summer.

The water patrol boat is just like a policeman, never there when you need them, but remember, we are all patrol men & women on OUR Lake. If you see someone doing something incorrectly, please be nice, and remind them of our rules.

The construction of the "Water Relief Overflow System" should start soon. This area is located at the inlet creek where the large rocks are located and will be roped off while this construction is being done. Please be careful when you are around this area.

Well it's that time of the year again when a quick thunderstorm could drop 1" or 2" of rain in a short period of time. So let's be proactive and make sure that our ditches are free & clear of leaves and debris, to allow the runoff a free path to the lake.

Several years ago the Building Rules & Regulations were amended to include the paving of every driveway. These are items 10 & 12 below. We have had some new construction in our community, which is a very good thing for the lake, & look forward to additional updates

to resident's properties. For your building permits please contact Doug Leeker at (314) 265-7827.

from the Building Regulations

#10 Within one year of the completion of any construction, all driveways, parking areas, etc. shall be paved with asphalt, concrete, or permanent hard surface. If a culvert is required, as determined by building director, said culvert shall be a minimum of 12 inches in diameter and shall be installed at the proper grade to insure adequate drainage of all ditches.

#12 Every driveway must be paved for the first 20 feet from the lake road.

This October we will begin lowering the lake to approximately 6 feet below full pool. This will facilitate boat ramp improvements, dock repairs, sea wall repair & construction, silt removal, as well as any other type of activity that requires less water in the lake. Please prepare now by contacting your contractor and our building director, Doug Leeker, with your detailed blueprints & site maps. If you are in need of a contractor the board has knowledge of those contractors that residents have used in the past.

As we are doing our spring cleaning and come across items made of metal or iron that we don't know what to do with, please contact Brandon Eckstein at 636-725-5795. Brandon will be happy to help you with the disposal of such material.

Can't wait to see you on the water! Steve Blaha.

Sewer Board Needs a Volunteer

After many years of service a director is soon retiring from the sewer board. And we need someone to volunteer for this board position.

The board's main function is to oversee the operation of the sewer system. And the result is the safeguarding of the water quality and beauty of the lake.

Since sewer system began operation in 2011 we have seen an obvious improvement in the water quality of the lake. We have had fewer algae blooms and water clarity is better than it has been in the last 15 or more years.

As a board member you will be making a substantial contribution to your community. There is no special knowledge or experience required.

The directors meet monthly to review the sewer system operation and financial reports. Directors frequently interact with the treatment plant operator and homeowners to answer questions and provide assistance. There is no heavy lifting required :-)

The monthly meetings are held at 5pm on the third Tuesday of each month in the Sales Office, 5706 N Lakeshore Dr.

Please come to the next meeting and learn about the board, and how you can help. 

NOTICE

At the annual meeting of the lot owners of Lake Tishomingo Subdivision scheduled for 11:30 a.m. on June 18, 2016 at the community center, the Board of Directors will submit a proposed regulation to a vote of the lot owners pertaining to whether a lot owner may apply to the Board of Directors for permission to move an existing path located within the boundaries of the lot owner's property provided certain strict requirements are met.

All are encouraged to attend the meeting and vote for or against this proposal.

Annual Meeting and Election Saturday June 18, 2016

The annual meeting of the Lake Tishomingo Property Owners Association will be held June 18, 2016 at 11:30 a.m. at the Community House. After the meeting the voting for the election will begin. The polls will remain open until 2:30 p.m. Directors will be available for your questions.

Ballot Items

- Two positions on the LTPOA Board of Directors
- Ballot issue concerning changing the regulations to allow relocation of a path subject to strict requirements.

To place your name on the ballot

1. The candidate must be a lot owner in Lake Tishomingo Subdivision.
2. All 2015 assessments must be paid in full including any lien fees, interest, and attorney fees.
3. The candidate must submit a letter, in person or by mail requesting his/her name be placed on the ballot giving full name, mailing address, block letter and number in the subdivision owned by him/her to the election commissioner. Last date a filing can be accepted is May 18, 2016.

To vote in person

1. All assessments must be paid and up-to-date by June 17, 2016.
2. Present property owners must be recorded on the LTPOA assessment books by 1:00 p.m. June 17, 2016. Only one person can vote for co-owned lots.
3. Your ballot will be marked with the number of votes you will cast.
4. The number of votes is determined by the size of your lot (one vote for each ten front feet, but not less than five or more than ten per platted lot).

To vote by absentee ballot

1. To obtain an absentee ballot **you must send a self-addressed stamped envelope** to Ann Schatzman, the election commissioner, at 7741 Meadow Dr, Hillsboro MO 63050.
2. Include your name and lot number(s) owned by you.
3. Your completed ballot must be received by the election commissioner on or before 2:00 p.m. June 17, 2016 for it to be counted with the regular ballots for the June 18, 2016 election.

Election Workers Needed Saturday June 18 11 am - 3 pm

To volunteer contact:
Election Commissioner
Ann Schatzman

Hillsboro MO 63050
(636) 236-9852
annschatz11@gmail.com

WATER ACTIVITIES RULES AND REGULATIONS

(Revised 2011 By LTPOA Board)

I. FISHING

1. Fishermen must be accompanied by a lot owner except by special arrangements made with the lake patrol.
2. Fish may be taken using a rod or pole. Only three rods or poles per person are allowed, and there is a three hook limit on each rod or pole.
3. Trotlines and jugs are prohibited.
4. The maximum number/quantity of fish per take, creel, catch or possession shall be according to the Tishomingo Anglers Association's current recommendations in accordance with the continuing effort to improve and modify each species and their population. These regulations are formulated after consulting our local fisheries biologist. (See creel limits on next page.)

II. PATROL BOAT

1. The LTPOA patrol boat operator is responsible for water safety and enforcement of Water Activities Rules and Regulations and Boat Registration and Regulations.
2. The patrol boat will be operated in a safe and courteous manner and has the right-of-way on the lake at all times.

III. BOAT & MOTOR IDENTIFICATION

1. All boats must be registered with the LTPOA and must be the property of a lot owner.
2. Registration stickers will be furnished for those boats in compliance with the LTPOA Boat Registration Rules and Regulations. Stickers must be placed on the left (port) side of the craft near the block and lot identification.
3. Boats of all types must have the owner's lot and block number placed on each side of the craft in letters not less than three (3) inches in height. Placement should be toward the front of the boat if possible.

IV. BOATS

All boaters must be in compliance with Missouri State Rules and Regulations

1. The maximum boat length allowed is seventeen (17) feet excluding pontoon boats.
2. No boat shall be overloaded beyond the OBC rated capacity, or have a motor that exceeds the OBC maximum rating.
3. No hydroplanes, jet skis, inboard motor, or air boats (swamp buggies) are allowed.

V. PONTOON BOATS

1. Pontoon boats cannot exceed 24 feet in length.
2. No such type of craft shall be permitted unless the owner has a residence at Lake Tishomingo.
3. No such craft shall have any temporary or permanent sleeping, cooking, sanitary or toilet facilities thereon. No enclosing or screening of craft.
4. Pontoon boats are restricted to "No Wake" (*a very slow speed whereby the wake or wash created by the vessel would be minimal*).

VI. MOTORS

1. No craft shall have attached a motor which exceeds a total of forty (40) horsepower.

VII. MOTOR BOATING

1. From 10:00 a.m. until 7:00 p.m. (prevailing time), maximum speed allowed.
2. From 7:00 p.m. until 10:00 a.m., all crafts shall be restricted to "No Wake" (*a very slow speed whereby the wake or wash created by the vessel would be minimal*).
3. During ski hours all boats are to maintain a marine pattern of counter-clockwise travel.

4. Zigzagging, facing toward the stern while operating boat, reckless speed, operating craft while intoxicated and any other form of careless or reckless operation is prohibited.
5. Minimum clearance of freeboard from gunwale to the surface of the water while operating shall be six (6) inches for any craft.
6. Every craft must be equipped with an approved type of life preserver for each person aboard.
7. Boats operating after dark must be properly lighted.
8. All boating must be at least 100 feet from shore.
9. Right-of-way shall be in the following order: sailboats, row boats, canoes, pontoons.
10. No boats are to enter swimming area under any circumstances.
11. Reduce speed of all craft while in coves or launch area to "No Wake" (*a very slow speed whereby the wake or wash created by the vessel would be minimal*)
12. If you see or think that anyone is in distress, make effort to help and notify patrol boat.

VIII. SKI AND SURFBOARD SAFETY

1. Skiing or surfboarding is permitted from 10:00 a.m. until 7:00 p.m. (prevailing time).
2. Skier must wear an approved life saving belt or jacket at all times.
3. Keep boat and skier 100 feet from shore while operating.
4. All boats when pulling skiers must either be equipped with a rearview mirror or have at least two occupants.
5. Travel counter clockwise at all times and circle counter clockwise when picking up a fallen skier.
6. Never drive boat so that skier is closer than 50 feet from any object.
7. Take signal from skier only and never sit on gunwale of boat.
8. Operators of boats pulling skiers must be at least sixteen (16) years of age.
9. Skiing from cove entrance is not permitted. Skiing should start and end up on the main body of the lake.

IV. SCUBA DIVING

1. Any property owner or guest scuba diving must have card signifying accredited course in techniques of diving.
2. Report to the patrol approximate area where you intend to dive from.
3. Display diver flag on float or boat and stay within 100 feet of same. Boats and skiers to keep 150 feet from flag. Remove flag after dive.
4. No scuba diving in ski lanes except when search and rescue diving is being conducted.
5. Fish and game Laws must be observed by divers.

X. SWIMMING

1. All swimmers must stay within fifty (50) feet of the shoreline except as noted below.
2. Swimming from pontoon boats is permitted (for short periods of time) in the lane between swimming, 50 feet from shoreline, and the ski lanes, 100 feet from shoreline.

XI. BUOYS

1. No buoys/tethered objects may be used in Lake Tishomingo without LTPOA approval.

XII. RESPONSIBILITY

1. Lot owners will be held responsible for the actions of their guests.

LTPOA Meeting Minutes March 2016

Board Members Present: Ken Stojeba, Marilyn Meyer, Doug Leeker and Mike Steeno.

Ken Stojeba called the meeting to order at 7:00p.m. There were 4 residents in attendance and all recited the Pledge of Allegiance.

President's Report

Ken Stojeba announced that President Blaha was in Australia on vacation. He asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, Ken asked for a motion to dispense with the reading of the minutes and approve them as printed. Marilyn made a motion to waive the reading and approve the minutes and it was seconded by Mike. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for February 2016. Please see the attachment. Doug made a motion to accept the financial report and it was seconded by Mike. MOTION PASSED.

Marilyn asked for approval to pay bills totaling \$540.00. These bills included the portable toilet (\$90.00) and Joe Hejnal for snow plowing (\$450.00). Marilyn reported that the Tishomingo Quick Shop is up for sale. Marilyn reported that we owe them \$69.34 and we are waiting to be invoiced. Mike made a motion to pay the bills and it was seconded by Doug. MOTION PASSED.

Building

Doug Leeker reported that he took a tour around the lake by water and land and the projects are moving along nicely. He reported that there is a tree that has fallen and crushed a dock at the beginning of cove "H".

Doug reported that he has an application from Stanley

Fluegel at C43, at the entrance to the Forrest, for a 6 by 8 shed. Ken made a motion to tentatively approve the shed based on his submission of final plans and it was seconded by Doug. MOTION PASSED.

Security

No report.

Gate

Rich Hirsch reported that Kenny Marschuetz's code was used 89 times in February, which averages out to 3.2 times a day. That code has been replaced. The second most used code was JC Transport and Rich stated that is probably legitimate. Rich reported that Breer's code was used the 3rd most times. Because they are still working on landscaping, Rich stated that he gave them another code and discontinued the old code. Higgins code was the 4th most used code. Doug Leeker stated that he had noticed they were having some work done to their roof.

Maintenance

Ken Stojeba reported that Ed Hill is replacing the posts that have fallen out by the road and parking lot.

LTIA

No report.

Finance

Marilyn Meyer reported that Janet Hirsch ran off the 6-month report to show where we are in regards to spending and our budget. Please see the attachment.

Marilyn stated that the Lake Front Recreation Area has been budgeted \$2,000 and we have used \$625. She reported that Sheila Frauenfelder and Val Silhavy have cut, raked, seeded and laid

LTPOA Minutes continued from previous page

straw on the lakefront area near the creek. Marilyn stated the Daryl Frauenfelder has built two more BBQ grills for the lakefront and Sheila is building one more food-preparing table. Marilyn reported that Sheila would like for the LTPOA to buy 3 more picnic tables. Marilyn stated that Buchheit's has them for \$140 each and that is the best price she has found. Doug made a motion to purchase three more picnic tables and it was seconded by Ken. MOTION PASSED.

Web Site

Rich Hirsch reported that the annual road cleanup is scheduled for April 23rd.

Rich reported that there are two positions open on the LTPOA Board this year. Steve Blaha and Marilyn Meyer's terms will end.

Parent's Club

No report.

Garden Club

Marilyn Meyer reported that May 14th is the scheduled garage and yard sale that will be open to the public. If you have something you want to sell, have a sign or a balloon in your driveway and your items in your garage or driveway. The gate will be open between 8:00am and 2:00pm. Residents will be able to start at 7:00am.

Sewer Board

Marilyn Meyer reported that Janet Hirsch wrote a nice article in the last newsletter stating that a position will be available on the Sewer Board in April.

Sewer Board

No report.

Dam Report

Rich stated that there are two holes open where the ground-hogs have been suspected.

Old Business

No report.

New Business

Jim Gray at lot F13 reported that the lot next to his, F14 has a dead tree about 12 feet from the water and he is afraid that it may fall on his boat dock. Ken Stojeba stated that he would go look to see if it's the responsibility of the LTPOA or the owner of lot F14 to remove the tree.

With no new business to discuss, Ken made a motion to adjourn and it was seconded by Marilyn. The meeting adjourned at 7:30.

Important Reminders

Pontoon Boat Trailer

The LTPOA pontoon boat trailer is parked and locked in the Community House parking lot. It can be used by any homeowner to launch or remove a pontoon boat from the lake for a \$10 rental fee. Contact Butch Hopfer (636) 274-3791 or John Hunnicutt (636) 274-6126.

Lake Lowering October 1, 2016

Now is the time to start planning to repair your dock or seawall. If you have any plans to build/rebuild your dock, repair your seawall or dredging, please submit your plans to Doug Leeker as soon as possible.

The LTPOA will start lowering the lake on October 1, 2016. It will be a gradual process and will end when the lake is 6 feet below full pool.

*Community Yard Sale*

At the January LTPOA board meeting several Lake Tish garden club members asked the LTPOA Board what they thought about having a Community Yard Sale. It would be scheduled for this spring and it would be open to LT property owners and the public. The board approved the idea January 12, 2016.

The 2016 Lake Tishomingo Community Yard Sale will be open to the public 8 am – 2 pm Saturday, May 14. The entrance gate will be open during those hours.

Tish property owners will have an opportunity to shop starting at 7 am.

The garden club will advertise the sale in the *Leader* newspaper.

On the morning of the sale, any Lake Tish property owners wishing to participate in the sale should place sale merchandise in their yard or driveway and mark the property with a sign or balloon to attract buyers.

Burn Season

Burn season ended April 15. Burning in violation of the regulations can result in fines from MO DNR of up to \$15,000.

*Tishomingo Anglers**Unwanted Water Willow*

The season for management of water willow is almost here. TAA members have offered to spray it if property owners have an unwanted growth in front of their lakefront property. Contact Brian Stephens, bstephens@genetics.wustl.edu.

LTPOA Meeting Minutes April 2016

Board Members Present: Steve Blaha, Marilyn Meyer, Doug Leeker, Shelby Reneski, Roy Hummel and Mike Steeno.

President Blaha called the meeting to order at 7:05p.m. There were 11 residents in attendance and all recited the Pledge of Allegiance.

President's Report

President Blaha announced his welcome and thanked everyone there for attending this April meeting. Steve thanked Rich Hirsch for getting some volunteers together and taking care of cleaning up the landscaping at the front entrance area. President Blaha asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, Steve asked for a motion to disperse with the reading of the minutes and approve them as printed. Marilyn made a motion to waive the reading and approve the minutes and it was seconded by Doug. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for March 2016. Please see the attachment. Roy made a motion to accept the financial report and it was seconded by Shelby. MOTION PASSED.

Marilyn asked for approval to pay bills totaling \$619.25. These bills included Val Silhavy and Sheila Frauenfelder for clearing corners around the road at F50, N1 and N48 and stain for new picnic tables (\$529.25) and the portable toilet (\$90.00). Doug made a motion to pay the bills and it was seconded by Marilyn. MOTION PASSED.

Building

Doug Leeker reported that he has the plans from Stanley Fluegel at C-43, for a 6' X 8' shed that we preapproved at the last meeting. Shelby made a motion to approve the shed and it was seconded by Roy. MOTION PASSED.

Doug reported that he has an application from Charles Reneski at O-08 for a dock rebuild. The previous dock was destroyed and he would like to rebuild the dock the same size. After examining the paperwork, Marilyn made a motion to approve the dock and it was seconded by Doug. MOTION PASSED.

Doug stated that he has an application from Jeffrey Marlow at M-36 for a boatlift. After review of the plans, Shelby made a motion to approve the boatlift and it was seconded by Roy. MOTION PASSED.

Doug reported that he has an application from Clarence Cobb at I-78, I-79 and I-80 for a fence. After review of the plans, Roy made a motion to approve the fence and it was seconded by Doug. MOTION PASSED.

Doug Leeker stated he had an application, with plans, from Donald Kidwell at N-8, N-9 and N-10 for a new garage. The board reviewed the plans and Shelby made a motion to approve the new garage and it was seconded by Roy. MOTION PASSED.

Security

Roy Hummel reported that he had to put the gate arm on several times as it was down. He thanked Jan Hunnicutt for her diligence in keeping after the cars without stickers. Roy stated that GCI Security is interested in providing security to us again this summer at the same rate as last year. It was decided to start security the weekend before Memorial Day weekend.

Gate

Rich Hirsch reported that the codes most used this past month were Blaha's, which is set to expire. Steve said that he had given his code to William Tedrick as his wife Phyllis, was in hospice and he need a code for all the people coming and going. The next most used code belonged to Mike Higgins and the third was the Quillman's. The Quillman's are still having work completed on their house.

Rich stated that there was a problem with the call box. Individuals at the gate could call and hear, but the residents they were calling could not hear. He said he thought it was a problem with the microphone so he tested it and it was ok. He changed the sound card and that seemed to fix the problem.

Maintenance

Doug Leeker reported a tree had fallen through a deck and he is unsure if it was removed. President Blaha stated that he would call Ken Stojeba to see if it had been removed.

LTIA

Shelby Reneski reported that they had the drawing for the raffle at the fish fry dinner meeting and the 1st place winner was Rick Lippitt and he donated \$250 of the \$350 back to the LTIA fireworks fund. The second place winner was Tom McMaster and he donated his winnings back to the LTIA also!

Shelby reported that the May dinner will be hamburgers and hotdogs and it will be the 3rd Sunday in May as Mother's Day is on the 2nd Sunday.

Finance

Janet Hirsch stated that there was nothing new to report.

Website

Janet Hirsch reported that the deadline for the newsletter would be April 20th. She also stated that if you plan to have any

issues on the June LTPOA election ballot, they needed to be given to her by April 20th.

Parents Club

No report.

Garden Club

Rich Hirsch reported that two Thursday mornings, he, Barb Rohm, Chyree DeRoode, Fran and Robert Hovis, Jeri and Larry Schmidt and Marilyn Meyer cleaned up the flowerbeds at the flagpole, guard shack, entrance to the maintenance yard and the Sales Office.

Marilyn Meyer reported that the garage sale is scheduled for May 14th with the gate open to the public from 8:00am- 2:00pm. If you plan to sell anything, you will need to place a sign or balloon in your driveway. It was suggested to have GCI Security to work May 14th from 7:30am- 2:30pm and hand out visitor cards to any non-resident attending the garage sale. Mike made a motion to hire GCI Security to work during the garage sale and start for the summer on the weekend prior to Memorial Day weekend and it was seconded by Shelby. MOTION PASSED.

Marilyn reported that the annual road cleanup would take place April 23rd.

Doug Leeker reported that he would like to have a sign posted about the lowering of the lake October 1, 2016. Shelby Reneski gave him permission to place the sign on the LTIA's bulletin board at the entrance.

Sewer Board

Marilyn Meyer stated they need a new board member.

Dam Report

Clarue Holland reported that Red Oak cut the clumps of

grass out of the road on the back of the dam and will cut the grass on the dam when they are able to get back here.

Clarue stated that we would need to build a weir with sandbags to measure the water coming down the back of the dam to make sure we do not have a leak in the dam. Steve said he would get some volunteers to help construct the weir.

Clarue reported that she had applied for and received the permit to addle goose eggs from the US Fish and Wildlife Service.

Clarue stated that the groundhog holes look like there may have been some activity. Rich Hirsch said he set up the game camera a few weeks ago and didn't see any activity, but the groundhogs may have still been sleeping. He will set it up again.

Clarue reported that she would start the water testing in May before Memorial Day weekend.

Old Business

President Blaha asked Brian Stephens with the Anglers Club, if they had received any requests to have the water willow removed. Brian stated that they have only received one request. Steve asked Brian to run another notice in the newsletter.

Kevin Scheirich, with the Anglers Club, announced upcoming fishing tournaments. The 1st will be held May 22nd from 6:00am- 10:00am for adults. The second one will be held June 12th from 9:00am- 1:00pm for kids and will include food and a beverage after the tournament. The 3rd tournament will be held July 24th from 6:00am- 10:00am for adults and the 4th tournament will be a catfish tournament on the lakefront ramp area, held September 17th from 3:00pm- 6:00pm for the kids.

Kevin reported that they would like to build some brush piles out of flexible tubing and each would be about 5 ½ feet tall. They would place them in water 20 feet deep. Brian explained the advantages of this type of fish cover. They would be safe; they would collapse if they were hit from the top. Second they would not decompose, so they would not have to constantly be replacing them. Brian said that they would post GPS coordinates for each on the website. Brian said they would drop them in sets of three. Kevin reported they would cost about \$40 each. Kevin stated that they would like to build 30 of them this year. The LTPOA agreed to split the cost with the Tishomingo Anglers Association. Doug made a motion to give the Tishomingo Anglers Association \$600 this year to build the brush piles and it was seconded by Shelby. MOTION PASSED.

Kevin also stated that no one should be fishing with live bait brought in from outside of Lake Tishomingo.

*LTPOA Minutes continued from previous page***New Business**

A resident asked about the requirements of having 10 feet of asphalt from the lake drive into each personal driveway. He said he counted 4 personal driveways on the south side that did not

meet this requirement. President Blaha announced that he would construct some letters to be mailed to these individuals.

President Blaha asked for a moment of silence for the passing of resident Phyllis Tedrick.

With no new business to discuss, Shelby made a motion to adjourn and it was seconded by Doug. The meeting adjourned at 8:05.

ATV Rules

- All riders must wear safety helmets.
- No more than two riders on an ATV.
- All ATVs must drive on the right side of the road and yield to all other traffic.
- All ATVs must obey the 20 mph speed limit.
- All ATVs must remain off other people's property.
- No riding on dam or lakefront area allowed.
- No ATVs from outside the lake are allowed on lake roads or lake property.
- All ATVs must be registered with the board and have lot numbers and lake identification stickers.
- No racing allowed anywhere on lake property.
- All ATVs must be equipped with adequate muffler systems
- All ATVs must have proper headlights and taillights to be run at night.
- No ATVs allowed on the lake when the lake is frozen.

If you observe anyone operating an ATV on private lots or off-road lake property you can report the trespassing to the Jefferson County Sheriff: (636) 797-5000.

Lake Tishomingo Community Sewer Report

by Janet Hirsch

The district is seeking a volunteer to help with monitoring the sewer system and making business decisions.

Proper and efficient operation of our sewer system is vital to maintaining the quality of the lake. If you appreciate clean lake water you should consider serving on the sewer board.

Wanted: Board Member

After many years of service, Rick Lippitt soon will be retiring from the sewer board and we are asking for someone to replace him.

The primary purpose of the board is safeguard the water quality and beauty of the lake, by ensuring that the system operates properly.

The directors meet monthly to review the treatment plant and collection system operations, Missouri One-Call, and financial reports. Directors frequently interact with the treatment plant operator and homeowners to answer questions and provide assistance.

The director qualifications are specified by Missouri law. The position is open to anyone at least twenty-five years old who has resided in the district for at least one year and is not delinquent in the payment of taxes or sewer fees.

There are many reasons to volunteer for this position. The best reason is to take your turn helping to maintain the quality of our lake water. As a result of the sewer system installation the water quality has improved dramatically. Proper oversight of the system operation will guarantee the continued improvement in water quality.

Everyone has something to contribute. Over the years many many people have served on the LTPOA and LTIA boards. Many also have volunteered for committees in these organizations. Now the sewer district is asking for help. The meetings are only once a month and generally last about an hour.

If you have questions about the director position contact any director listed above.

The next meeting of PWS#13 is 5pm Tuesday March 15 in the Sales Office, 5706 N Lakeshore Dr. The board can change future meetings times to accommodate the schedules of participants.

Missouri One-Call

The District is a part of the Missouri One-Call System. (The system was formerly known as "Dig Rite.") Missouri law requires that any person making or beginning any excavation notify MOCS at least three but not more than ten working days in advance, except in the case of an emergency.

Placing a locate request is free and easy! Call 1-800-DIG-RITE (800-344-7483) or 811 or place your request online at <http://www.mo1call.com>.

Before you start any excavation project at your Lake Tish property you must notify Missouri One-Call to have the sewer and other utility lines marked.

Proper and efficient operation of our sewer system is vital to maintaining the quality of the lake.

Payment Options

Sewer user fees are due by the 10th day of each month. Sewer user fees are **delinquent** if not received by the district on the 21st day of the month. This does not mean "check date" nor "postmarked." It means **received by the district**. Any accounts with balances due on that date will be charged the late fee.

Homeowners are encouraged to consider automatic payment of the sewer bill. The invoice postcards are issued the first of every month and payment is due on the tenth of that month. Payments not received by the 21st of the month are delinquent and subject to lien and prosecution.

The Billing & Payment Options brochure is available at the website. Visit :
