by Janet Quillman, LTIA President
 Ready or not the official party season has begun, at least at Lake Tishomingo. To get everyone prepped, ready and in the mood the LTIA is hosting the annual Fall Festival on Saturday, November 3rd. You can relax, have a glass of wine, do a little shopping, dine and get your groove on to music by the Boxcutters.

The following weekend, on Sunday the 11th we will have our Thanksgiving dinner meeting and election of board members. The LTIA will provide roasted turkey and as always our membership will bring the most

awesome sides for a complete Thanksgiving dinner. After we are all fat and happy and ready to go into turkey coma we will have a quick meeting and elect a new board. Are you ready to volunteer!? Julie, Shelby and I make up the current board and we would also like to have you. We really need volunteers to work a fund raiser, plan a party for the kids, clean the clubhouse, make signs or flyers, take out the trash or take our aluminum to the front for recycling. A little bit of help goes a long way and we have a lot of little jobs. The more people we have to help the smaller and easier the jobs are.

Celebrate the holiday season!

LTIA
Annual Christmas Party
and
Chili Cook-Off

Sunday, December 9th
Children's Party 1-3pm
Games & Snacks

Santa*
Arrives at 3pm for pictures.

Everyone Welcome
To ensure that no child is left out please
Call Janet Quillman @636-748-2030
to make your reservation for the
children's party.

Bring your best pot of
Chili for the cook-off
at 5:30

*Parents have the option to bring a gift for your child that Santa will distribute. We ask that the price be under \$10.

LTIA Membership - 2019

Here is my membership for LTIA. This will help to support the Lake Tishomingo improvement projects and maintain the Community House.

Membership includes attendance at LTIA dinners, free classified ads in *Tishomingo News*, children's holiday parties and discounted entry to LTIA sponsored fundraisers, when applicable.

Please enclose your check for \$40 payable to "LTIA" and send to:

LTIA Treasurer

Lake Tishomingo Property Owners Association

LTPOA News

by Steve Blaha, LTPOA President

Lake Tishomingo. What a beautiful, peaceful place nestled in the foot hills of the Ozarks. And completely administered by volunteers.

This is the last scheduled bimonthly newsletter which has been prepared and edited by Janet Hirsch for the past 16 years. My how the time can swiftly slip away, seems like only yesterday Frank Jarus was volunteering in this same position.

If you haven't figured it out by now I am canvassing every lot owner to take a look at you inner self and step up to the plate. I don't recall Janet's first newsletter, but I bet it was not as nicely done as this edition. So we will stand behind you as you keep us informed. I am sure some of you had a journalism/communication class or two, or maybe a computer class, or just maybe, self-taught. So, please step forward and show us your skills, we look forward to meeting with you to explain the inner workings of this important Volunteer position.

And, please join me in thanking Janet, and all those who contributed reports, information, pictures, advertisement, folded, taped, stamped, stapled, mailed & cooked for the production of the "Tishomingo Newsletter" these past 16 years. Don't let this legacy die!

On another subject, RESPECT. It is very important that every lot owner abide by the Rules, Regulations, Restrictions, (RRR) as set forth by our forefathers. These three R's, RRR may seem petty at times, but we (LTPOA) are seeing bigger boat & motors, lot owners trying to find the

loop holes in the building restrictions, lot owners trying to circumvent the gate, lot owners boating too fast after 7 pm, lot owners not respecting each other, and the list goes on & on. Without respect of these we will be forced to have additional security, security cameras, decisions made by lawyers, which all are expensive, and even more costly to keep in good working condition. In an effort to keep our expenses as low as possible please be respectful and obey the RRRs, which can be found on our web site at www.laketishomingo.com.

I have received several phone calls about the roads since we chipped & sealed them, so let me try to explain the LTPOA's approach to our road maintenance program. We have about 7.5 miles of road in our Lake Tishomingo subdivision, which is inclusive of the road between Hillsboro/House Springs Rd. and the gate. We budget \$100,000 for road repair/maintenance each year, and fix the worst areas first, then continue with chip & seal.

Each year we take a look at all 7.5 miles of road and fix & repair the bad areas, and then proceed with chip & seal with the balance of the \$100K. Lot owners are responsible for road damage during home repairs and construction. Each year we are having fewer bad spots to repair, which means we can cover more area with the chip & seal. We will continue this yearly approach until all 7.5 miles of road are complete.

Thanks, Steve Blaha LTPOA President

LTPOA Meeting Minutes August 2018

LTPOA Minutes August 14, 2018

Board members present, Steve Blaha, Doug Leeker, Ken Stojeba, Roy Hummel, Mike Steeno, Jon Riche, Shelby Reneski.

At 7:08 pm, President Steve Blaha called the meeting to order. There were 8 residents in attendance, all stood and recited the Pledge of Allegiance.

President's Report

President Steve Blaha asked the board members if they read the July minutes and if they had any additions, corrections or deletions. With nothing further to correct or add, Steve Blaha asked for a motion to dispense with the reading of the minutes and approve them as printed. Ken Stojeba made a motion to approve the minutes and it was seconded by Shelby Reneski. MOTION PASSED.

Treasurer's Report

Shelby Reneski read the financial report for August 2018. There was a cash inflow total of \$78,109.13 which included \$78,100 from assessments and \$8.73 from interest. The cash outflow for July totaled \$7,591.12 and included GCI Security (\$3,513.13), Ameren Utilities (\$117.40), Phone.com (\$18.28), Charter (\$59.99), Steve Blaha for reimbursement of patrol boat fuel (\$40.55), Janet Hirsch for envelopes for the assessment letters (\$41.14), Shelby Reneski for assessment letter stamps (\$180), Brittons Quick Stop for gas (\$14.24), Rottler Pest for termite program (\$276), Happy Grass for mowing from the 4 way stop and common areas (\$590), Steve Blaha for artificial grass for the patrol boat (\$46), Doug Leeker for printing and postage for the mailing of the newsletter (\$694.34), Janet Hirsch for envelopes for assessment letters (\$41.14) and Hillsboro Title for earnest money (\$2,000).

The checking account balance was \$120,899.64 as of 07/31/2018. The Major Projects Fund had a balance of \$203,997.53 on 07/31/2018 after accruing interest of \$103.90 for the month. Steve asked for a motion to approve the July financial report. Doug Leeker made a motion to approve the report and it was seconded by Ken Stojeba.

Shelby Reneski asked for approval to pay bills totaling \$16,629.97 which included CEG Paving for patching and repairs (\$11,386), Roy Hummel for spark plugs, oil and bilge pump in security boat (\$60.56), Jon Riche for basketball net at community house (\$11.90), Charter (\$59.99), Ameren Utilities (\$119.21), Happy Grass for 1 cut to the 4 way stop and 3 cuts of common area (\$440), Red Oak Landscaping of mowing the dam and trimming of spillway (\$1,275), Britton's Quick Shop for gas (\$53.14), GCI Security (\$3,196.69), Phone.com (\$18.33) and Janet Hirsch for gate hardware (\$9.15). Roy Hummel made a motion to approve paying the bills and it was seconded by Doug Leeker. MOTION PASSED.

Steve Blaha asked if everyone had reviewed and analyzed the budget for the upcoming fiscal year. The current budget includes \$27,000 for administration expenses, \$4,200 for health and safety expenses, \$185,000 for property maintenance and \$26,800 for security with budget total of \$243,000. Ken Stojeba made a motion to approve the budget and it was seconded by Shelby Reneski. MOTION PASSED.

Building

Doug Leeker reported some previously approved applications. Ken Stojeba's (lots F6, F7, F8 and F9) application to replace boat lift from F6 to F9 was approved. The Dierbicki residence (lots L9, L10 and L11) had submitted an application to install a new boat lift next to L9 dock which was approved. The removal of Linda Coker's residence was previously approved, as it had been destroyed by a fire. The owner of lots A73, A74 and A75 had submitted an application to replace a patio and walkway, this application had also been previously approved over email.

Security

Roy reported on a medical incident in which the sheriff was called. No other problems or incidents were reported.

Gate

Rich Hirsch reported the most used access code in July was issued to Matt Holloran. Rich asked the board to contact Matt to work out a new code. The board agreed that due to the high usage, it would be a good idea to change his code. Roy stated he would get in touch with Matt. The 2nd most used code was issued to Big River Ambulance. Rich found that their code was being used by non-emergency vehicles. They were notified and given a new code.

Maintenance

Ken reported on a resident who wants a dock removed that is nearby his property. Ken is working to locate the owner of the dock and inform them if it's in disrepair.

The downed tree in the F cove does not appear to be on Lake Tishomingo property and therefore is not our responsibility. The board recommended sending the owner of the lot a letter, asking him to remove the tree.

LTIA

The Fall Fest is scheduled for 11/03/2018.

Website

The deadline for the next newsletter is August 20, 2018. Janet Hirsch also announced that she is resigning from assembling the newsletter at the end of the year. Janet has been putting the newsletter together for 16 years. She will be next to impossible to replace, but we will be looking for volunteers.

Sewer Board

Cheryl Miller, Bob Quigley and Carol Kohnen have volunteered for the sewer board and all vacancies are now filled. We thank these residents for their help in ensuring our internal control of our sewer board.

Old Business

The sand mine owners have filed a lawsuit against the county, which was expected. The suit claims the county abused its discretion and should not have ruled the way they did. Mike Steeno stated that the suit doesn't contain anything unexpected and the county has a strong position in which to overcome the lawsuit. This may go on for quite some time and we will keep everyone informed as needed.

New Business

No new business

Adjourn

With no further business to discuss, Shelby made a motion to adjourn and it was seconded by Ken. The meeting adjourned at 7:49 pm.

Lakeview continued from page 1

In December we will host the children's Christmas party on Sunday the 9th and the monthly dinner meeting will follow... One of our most anticipated events, the annual chili cook-off. Bring your best pot of chili for a chance to win the coveted champion's apron and bragging rights for the next year. We will also hold a drawing for the "Fabulous Prize Package." All members who pay their 2019 membership before or at the December meeting will be entered for a chance to win.

We had such a great 2018 and are very much looking forward to 2019. Have a safe and wonderful holiday season. We hope you will join us for dinner.

LTPOA Meeting Minutes September 2018

LTPOA Minutes September 11, 2018

Board members present, Steve Blaha, Doug Leeker, Ken Stojeba, Roy Hummel, Mike Steeno, Jon Riche, Shelby Reneski.

At 7:07 pm, President Steve Blaha called the meeting to order. There were 5 residents in attendance, all stood and recited the Pledge of Allegiance.

President's Report

President Steve Blaha asked the board members if they read the August minutes and if they had any additions, corrections or deletions. With nothing further to correct or add, Steve Blaha asked for a motion to dispense with the reading of the minutes and approve them as printed. Mike Steeno made a motion to approve the minutes and it was seconded by Ken Stojeba. MOTION PASSED.

Treasurer's Report

Shelby Reneski read the financial report for September 2018. There was a cash inflow total in August of \$53,605.88 which included \$53,192.66 from assessments, \$95 from gate cards, \$300 from a resident's asphalt repair and \$18.22 from interest.

The cash outflow for August totaled \$16,629.92 and included CEG Paving for patching and repairs (\$11,386), Roy Hummel for spark plugs, oil and bilge pump in security boat (\$60.56), Jon Riche for basketball net at community house (\$11.90), Charter (\$59.99), Ameren Utilities (\$119.21), Happy Grass for 1 cut to the 4 way stop and 3 cuts of common area (\$440), Red Oak Landscaping of mowing the dam and trimming of spillway (\$1,275), Britton's Quick Shop for gas (\$53.14), GCI Security (\$3,196.69), Phone.com (\$18.28) and Janet Hirsch for gate hardware (\$9.15).

The checking account balance was \$157,925.89 as of 08/31/2018. The Major Projects Fund had a balance of \$204,101.48 on 08/31/2018 after accruing interest of \$103.95 for the month. Steve asked for a motion to approve the financial report. Roy Hummel made a motion to approve the report and it was seconded by Mike Steeno.

Shelby Reneski asked for approval to pay bills totaling \$7,104.72 which included Charter (\$59.99), Phone.com (\$18.28), Ameren (\$112.31), Happy Grass for mowing and trimming (\$1,170), Clarue Holland for water testing (\$434), Britton's Quick Stop for Gas (\$55.59), GCI Security for August (\$3,966.13), Red Oak Landscaping for trim and mow of dam and spillway (\$1,275), and Steve Blaha for padlock for breaker box (\$13.42). Mike Steeno made a motion to approve paying the bills and it was seconded by Jon Riche. MOTION PASSED.

Building

Doug Leeker handed out plans for an addition and replacement of a deck located at the Staed residence, lots A29/A30. Doug asked for conditional approval based on approval from Jefferson County. Jon Riche made a motion to conditionally approve the plans and it was seconded by Mike Steeno.

The Goetz's, K24, have applied for a new boat lift next to their existing dock. Doug Leeker made a motion to approve and it was seconded by Roy Hummel.

Doug reported he has received several calls regarding when we are lowering the lake. The current plan is to lower the lake in the fall of 2020.

Security

Roy noted that GCI security is finished for the season and said they did a great job this year.

Gate

No report

Maintenance

Ken asked to have an informal conversation regarding docks and whether or not they can change ownership and be sold. He

stated that he could not find any language in the bylaws or restrictions pertaining to this matter. The general consensus among the members was that a dock has value and should be able to be sold. No vote or official position was made on this matter and the board discussed looking into the matter further.

Ken estimated we have plenty of salt remaining for the winter season.

LTIA

The Fall Fest is scheduled for 11/03/2018. Donations of baked goods are needed for the Fall Fest, please contact Linda Blaha. Volunteers are also needed for that day, please contact Shelby Reneski.

Raffle tickets are still on sale for the 4th of July fireworks.

Website

The deadline for the next newsletter is October 20, 2018. This will be the last newsletter compiled by Janet Hirsch. We are still in need of someone to organize the newsletter going forward.

Sewer Board

No report

Water Testing

Clarue Holland reported that the water testing has been completed. All of the test sites looked good and there were no concerns regarding water quality.

Dam report

Clarue Holland asked for approval to have the dam and spillway cut again. Typically Red Oak would have already completed this for the year, however, these areas are still in need of maintenance and will need a final cut/trim. Ken Stojeba made a motion to approve another cut and it was seconded by Shelby Reneski.

Old Business

Mike Steeno reported on the fundraiser held for the groups that volunteered their time and legal services in the fight against the sand mine. The fundraiser was well attended and raised roughly \$800 for the task force and \$3700 law center.

Mike also read two new building regulations which the board has discussed and recently approved in a unanimous decision. The regulations were approved on August 23rd, 2018 and are as follows:

RESOLVED, that the use of any roads in Lake Tishomingo or Lake Tishomingo Forest shall be prohibited to any persons, corporations, companies, utilities, construction companies, contractors or other entities engaged in any building, alteration, improvement or construction on any lot not located within the platted boundaries of Lake Tishomingo or Lake Tishomingo Forest

RESOLVED, that no lot in Lake Tishomingo or Lake Tishomingo Forest shall be used to provide ingress or egress for any property located outside of the platted boundaries of Lake Tishomingo or Lake Tishomingo Forest to any of the roads located in Lake Tishomingo or Lake Tishomingo Forest.

Steve reported on a pontoon boat with a 90HP motor. The board previously sent the owner of the boat a letter, stating he was in violation of the boating rules and asked he remove the boat from the lake. Steve was happy to report the owner complied and the boat has now been removed. We thank the owner for his cooperation.

New Business

No new business

Adjourn

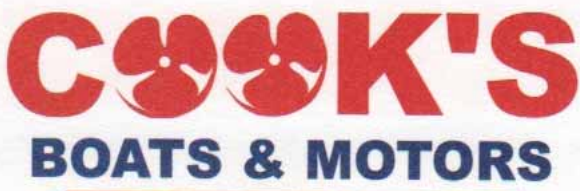

With no further business to discuss, Ken Stojeba made a motion to adjourn and it was seconded by Jon Riche.

The meeting adjourned at 8:11 pm.

Lake Tishomingo Community Sewer Report

Welcome to new board members Bob Quigley and Cheryl Miller, and to new secretary Carol Kohnen. We are very fortunate to have lake residents who are concerned about the quality of our water and the importance of maintaining control of our central sewer system.

Monthly Sewer Fees

The monthly sewer fee for each residential property is \$72. If the payment is not received by the 21st of the month a 10% late fee is applied. To make sure your payment is always on time you should sign up for automatic withdrawal from your bank account. The easiest way is to set up automatic payments through your bank. Alternatively, you can download the Billing and Payment Options brochure from the website, <http://www.laketishomingo.com/pwsd13> and fill out the form for automatic payment.

After you are set up for automatic payment, either through your bank or through PWSD#13, you can opt out of receiving monthly postcard invoices by sending an email message to pwsd13@charter.net with the message "I am now using automatic payments -- postcard invoices are no longer required."

Proposed Quarry for Tishomingo Rd

At the intersection of Tishomingo Rd, and Hwy 21 Minnesota's St Peter Sand Co wants to create a quarry to blast, grind, and haul silica sand.

The Planning & Zoning Commission conducted a public hearing June 14 for Conditional Use Permit CU18046. The meeting was attended by hundreds of people. At the hearing the P&Z professional staff recommended denial of the permit. The Commission voted unanimously to deny the permit.

July 9 the Jefferson County council met and also voted unanimously to deny the permit.

The Fight Is Not Over

Now the property owner and St Peter Sand Co have filed suit against Jefferson County to reverse the council decision.

Jefferson County Preservation Task Force

The committee organizing the opposition to the quarry is being led by our own LTPOA VP Mike Steeno. The JCPTF hired attorney Kathleen Henry of the Great Rivers Environmental Law Center.

The task force is joining Jefferson County in fighting the lawsuit. The first hearing will be for the motion of the task force to intervene in the suit, 9 am Nov 2 Division 3 Courtroom, Jefferson County court house.

Burn Season

Burning of yard waste is allowed only from 10am to 4pm Sept 15 - Apr 14. Burn permits are available at the Goldman Fire Station. Burning without a permit or in violation of the regulations can result in fines from MO DNR of up to \$15,000.

Regulations

1. The permit must be signed by the owner/occupant or his/her representative.
2. The permit must state the address where the burning is taking place.
3. Address must be posted at the property entrance per Fire District and State Law.
4. This permit must be on the premises where the burning is taking place.
5. No burning within fifty (50) feet of any structure.
6. The owner/occupant or representative shall be present during all burning to ensure compliance with this permit
7. The use of petroleum products to start a fire is prohibited.
8. Burning of substances that emit toxic and /or large amounts of smoke such as roofing materials, tires, vinyl, plastics, railroad ties, etc. are prohibited.
9. Burning of household garbage is prohibited. No burn barrels.
10. An effective method of extinguishment, such as a extinguisher, garden hose, or other water source shall be on site at all times.
11. Allowed burn time is 10AM - 4PM. Make certain the fire(s) are completely out by 4:00 p.m.
