Nov	5	Sat		Fall Festival

Lakeview

by Janet Quillman, LTIA President

Before saying goodbye to summer we need to thank everyone who helped make this year's Independence Day celebration come together. Whether you collected for fireworks, donated for fireworks, volunteered at the ice cream social, put up the barricades at the dam or participated in the annual boat parade. It just couldn't happen without help from everyone. Even with this year's unpredictable weather everything still went great. We had 5 boats in the parade including the first place winners the Blahas, 2nd place the Leekers, 3rd place Niemeyers and honorable mentions to the Schaab and Moenkhoff families.

We finished up the summer with the annual Tishomingo Boat Poker. More people to thank! This year we had 5-dock hosts Al & Rosie Ferrell, Mike & Mary Steeno, Matt Holloran, Ken & Lauren Droege and Brian and Kelly Stephens. We also had dock sponsors, be sure to check out the list included in the newsletter on page 4.

Say hello fall.....in September we will resume monthly dinner meeting's on Sunday the 18th. The LTIA will provide fried chicken. Bring your favorite side or dessert to share. The October dinner meeting will be Sunday the 9th and we will have a fish fry.

In November we will host the Fall Festival on Saturday the 5th. There

will be food, music, shopping and of course, wine and cold beer. If you are interested in one of the vendor tables, there is limited space available. We prefer to give dibs to lake residents. Contact Shelby Reneski if you are interested.

Our November dinner meeting will be Sunday the 13th and at this meeting we will hold our election of officers for the LTIA board. We are

hopeful to have at least a few new people join us and learn the ropes while we plan for our retirement. We are happy to work along with a new board over the next year so there is a smooth transition.

Well folks there you have it... thanks for supporting us throughout the year. We hope you will join us at the next dinner meeting.

Wayne Meyer

We are very sad to report the recent passing of lake resident Wayne Meyer. Wayne was the son of Marilyn Meyer, treasurer of the LTPOA Board and President of the PWSD#13 Board of Directors.

Our most sincere condolences go out to Marilyn and her entire family.

Interment was at St Lucas Cemetery.

Memorials in Wayne's honor may be made to the charity of your choice.

Lou Struckman

We are very sad to report the recent passing of Lou Struckman, previous Lake Tish property owner and father of Lake Tish resident Lisa Mahoney.

Our most sincere condolences go out to Lisa and her entire family.

Interment with full military honors was at Jefferson Barracks National Cemetery.

Memorials in Lou's honor may be made to Jeffrey R. Struckman Memorial Scholarship Fund at Webster University.

Family and friends may sign the online guestbook at www.gerberchapel.com.

LTPOA News

by Steve Blaha, LTPOA President

Greetings, Here we are. It is almost September already, with the majority of our summer fun behind us and fall creeping in. From my perspective, high on top the hill, it looks like we had a summer of fun at the lake this year in between the rainy weekends & holidays!

Our Boatful Lake

I would like to take this opportunity to THANK all of the lot owners & their guests that **HAVE** followed the water rules and the rules governing our boatful Lake!

With that said, I have also noticed several items that need to be addressed. The first and most notable is the number of pontoon boaters that do not know what

NO WAKE, IDLE SPEED ONLY

means. Please read the Water Rules & Regulations, then SLOW DOWN.

The other is the lack of respect for other people's property. If it is not yours, you have no business taking it, borrowing it without permission, or using it. Yes, we have had multiple reports of thievery from both sides of the lake.

I guess it is just a lack of honor. We don't seem to honor the speed limit on the lake or the roads. We don't honor other people's property. And we don't honor the rules, regulations, and restrictions that have kept our community safe, well kept, and appealing to all. I ask you to please start honoring these very important and basic needs.

Road Work

By now I am sure you have seen some paving work in progress. Please be patient, and expect some long delays when the chip & seal process begins in September. I will try my best to give the earliest warning I can to help prevent these inconveniences. So look for the sign that will be posted in front of the flag pole.

Lowering the Lake

2016 is the year that we will be lowering the lake for lakefront construction and repair. The starting of the siphon is dependent upon the long range rain forecast, but will not be until after the Labor Day holiday. Our goal is to lower the lake 6 feet from full pool. The siphon is capable of lowering the lake at an average of 1.27" per day.

There are several building permits already approved for new seawalls, dock repairs and a boat ramp extension at the Community House parking lot area. If you are possibly considering a project, now is the time to get your building permits in to the board for approval. The permit can be found on our web site, laketishomingo.com. For questions and site inspection please contact our building director, Doug Leeker, at 314-265-7827 or dougleeker@att.net. Doug has been very busy this year which means only one thing; Our community is becoming even more beautiful!

With the lowering of the lake we will be able to construct the overflow path or "swale" which is near the south side inlet creek culverts. The large stones will be used to create energy dissipaters to slow the rushing water. This project was scheduled for last winter, but when the lake was just about low enough to start work, we had a 5" rain in December that filled the lake back to full pool.

Water Willow

Some property owners have requested the water willow to be removed from in front of their lake lots. That spraying has been completed. The Lake Tishomingo Anglers Association has sprayed two applications of the product, Rodeo. This is a watersafe product used to control vegetation in and around lakes and streams. The water willow is now starting to show signs of the treatment. There were several bushes or small trees on the dam that were treated as well. Thank you to the LTAA and members Kevin Scheirich and Brian Stephens for handling this project.

I hope you all will be able to enjoy the beautiful fall weather on the lake. -- Steve Blaha

LTPOA Meeting Minutes July 2016

LTPOA Minutes July 12, 2016

Board Members Present: Steve Blaha, Marilyn Meyer, Doug Leeker, Shelby Reneski, Roy Hummel, and Mike Steeno.

President Blaha called the meeting to order at 7:04p.m. There were 6 residents in attendance and all recited the Pledge of Allegiance.

President's Report

President Blaha commented on how nice the 4th of July fireworks display was this year!

President Blaha asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, Steve asked for a motion to dispense with the reading of the minutes and approve them as printed. Marilyn made a motion to waive the reading and approve the minutes and it was seconded by Roy. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for June 2016. Please see page 9. Shelby made a motion to accept the financial report and it was seconded by Roy. MOTION PASSED.

Marilyn asked for approval to pay bills totaling \$3,181.50, which include Dale Wallen (\$1,695.00) for mowing, G.C.I. Security for May (\$873.50), Silhavy/Frauenfelder maintenance area and 4 corners (\$600.00), and Gills Quickstop for gas (\$13.00). Doug made a motion to approve paying the bills and it was seconded by Shelby. MOTION PASSED.

Marilyn reported that she has received \$40,216.17 in assessments this month from 92 homeowners.

Marilyn announced the need to suggest a date for the budget meeting. It was decided to have the budget meeting on July 26th at 7:00.

Building

Doug Leeker reported that he took a tour of the lake and projects are moving along. Doug reported that Scott Schatzman has installed a lift at B6.

Doug reported that he and Denny Schaab had a meeting and he reviewed the old and the new path (H04-H07) and Mr. Schaab has sent out the required notices for approval to all needed to move a path. The notice is also posted on the board by the gate. If there are no objections from the neighbors and all requirements are fulfilled, Doug would like to get a pre-approval on the initial application. Doug made a motion to approve upon the fulfilled of all necessary requirements and it was seconded by Shelby. MOTION PASSED.

Doug reported that he has an application from Mike and Mary Leiweke, lots A88- A90, for a new 2-car garage. The property has been inspected and fulfills the requirements. Doug would like approval contingent upon Jefferson County's approval. Shelby made a motion to approve upon Jefferson County's approval and it was seconded by Roy. MOTION PASSED.

Security

Roy Hummel reported that he has made contact with the authorities regarding the individual who keeps taking the gate arm off and entering, and provided them with the all the automobiles and license plates this individual has used when entering Lake Tishomingo. Roy stated that the authorities will provide assistance with this individual.

Roy thanked Jan Hunnicutt for her diligence in putting notices on vehicles parked in the community parking lot without stickers. He stated the Board received a letter from a resident regarding the sticker notice.

Gate

Shelby Reneski reported that the most used gate codes for

June were STL Dist 169 times (average 6 times a day), JC Transport 121 times (average 4.3 times a day) and Kidwell 93 times (average 3.3 times a day).

Maintenance

No report.

Finance

President Blaha reported that the budget meeting is set for July 26th at 7:00.

Website

Shelby Reneski reported that the deadline for the newsletter is August 20th.

Sewer Board

Marilyn Meyer reported there was nothing new to report.

Water Testing

Clarue Holland reported that the test results were good. The next testing date will be in August.

Dam Report

Clarue Holland reported that there is standing water below the dam that looks iridescent. She stated that she has emailed Jeff Bartel regarding the seepage and would like him or an engineer with DNR to come out and investigate.

Clarue reported that she has spoken with Red Oak to take out the bushes and trees that are growing at the water's edge at the dam.

Clarue reported that she was walking down the back of the dam and spotted a very large groundhog and there have been other reports of groundhogs around the dam. She called Trapper Joe and Blue Chip and received bids on removing the groundhogs. It was decided to get two traps and accept the bid from Blue Chip. The cost would be \$375. Doug made a motion to accept the bid from Blue Chip to remove the groundhogs and it was seconded by Shelby. MOTION PASSED.

Old Business

President Blaha reported that Brian and Kevin will start the extermination of the water willow from property whose owners want it removed, on July 15th and 16th.

Steve reported that there is a tree at the water's edge on the Sharpless property that needs removing and he is obtaining a bid to see if it is easier to remove as standing or when it falls.

Steve reported that he is obtaining bids to cut the brush and tree limbs from the front of the lake to the dam on both sides. He has obtained bids from Red Oak and Dale Wallen. He is still waiting on a bid from Jeremy Christopher.

New Business

President Blaha stated that was no new business to report.

With no new business to discuss, Marilyn made a motion to adjourn and it was seconded by Doug. The meeting adjourned at

Lakeside Gardeners

Donations to Lakeside Gardeners in memory of loved ones are used to beautify the lake community. Two names have recently been added to the garden memorial: Charles Hirth and Marco Grifero.

LTPOA Reminders

Burn Season

Burning of yard waste is allowed only from 10am to 4pm Sept 15 - Apr 14. Burn permits are available at the Goldman Fire Station. Burning without a permit or in violation of the regulations can result in fines from MO DNR of up to \$15,000.

Ditches & Culvert Pipes

The LTPOA board is asking that all lot owners clean out their ditches and culvert pipes. Remove leaves, sticks, and other debris to keep the water flowing in the ditch. This will help prevent our roads from being undermined by water runoff.

Building Permits

LTPOA building permits are required for all construction projects and applications should be submitted at least 10 days before the monthly LTPOA board meeting.

LTPOA Meeting Minutes August 2016

LTPOA Minutes August 9, 2016

Board Members Present: Steve Blaha, Marilyn Meyer, Doug Leeker, Ken Stojeba and Mike Steeno. President Blaha called the meeting to order and all recited the Pledge of Allegiance.

President's Report

President Blaha commented on the orange markings on the road and stated that it is time for the annual paving to begin and he has bids on the project.

President Blaha asked the board members if they read last month's minutes and if they had any additions, corrections or deletions. With nothing new to correct or add, Steve asked for a motion to dispense with the reading of the minutes and approve them as printed. Mike made a motion to waive the reading and approve the minutes and it was seconded by Doug. MOTION PASSED.

Treasurer's Report

Marilyn Meyer reported on the financial report for July 2016. Doug made a motion to accept the financial report and it was seconded by Mike. MOTION PASSED. She reported that she has heard from 239 owners out of 344 regarding assessments and she has collected \$105,199.64, with roughly another \$60,000 to collect.

Marilyn asked for approval to pay bills totaling \$7,381.21, which include GCI Security for June (\$1,394) and July (\$2,042), Red Oak for cutting the dam twice (\$2,300), Dale Wallen (\$1,620.00) for mowing and cleaning ditches, John Dauernheim (\$6.41) for road paint and Steve Blaha (\$18.80) for postage. Doug made a motion to approve paying the bills and it was seconded by Mike. MOTION PASSED.

Building Report

Doug Leeker reported that he took a tour of the lake and

the new homes are seeded/sodded and landscaped now and are about done.

He reported that he has received the permit from Jefferson County for Mike and Mary Leiweke to build their garage and they are fully approved.

Doug also reported he has all the documents for approval on a seawall and dock rebuild for Boaz, lot G34. Marilyn made a motion to approve the rebuild of the seawall and dock and it was seconded by Mike. MOTION PASSED.

Doug stated that he has documents for approval from Jim Goodrum, lots G27 and G28 for retaining walls. Marilyn made a motion to approve the retaining walls and it was seconded by Doug. MOTION PASSED.

Doug reported on the ongoing project by Schaab, at lots H4-7, on the path relocation. The sign has been placed on the information board at the entrance and there have not been any objections on the path relocation. He stated that most of the surrounding lot owners have given permission and have had the permission notices notarized. Doug will check on the remaining lots that need notarized permission notices.

Security

Rich Hirsch reported on the individual that had been removing the gate arm. Most recently he was entering using the FedEx code, which has been recently changed. In July, he was taken into police custody for trespassing, possession of stolen property, failure to register a vehicle, and destruction of property.

Gate

Rich Hirsch reported that the most abused code in July was for JC Transport, which was used, on average, 6.1 times per day. Rich stated the abused code needs to be changed. The second most used code for July was Ken Marschuetz jr's code and he suggested that this code be changed also.

Maintenance

Ken Stojeba stated nothing new to report.

LTIA

President Blaha reported that Boat Poker is scheduled for August 27th.

Finance

Janet Hirsch reported that the Finance Committee met and developed a proposed budget in July. President Blaha asked if the Board members had looked over the proposed budget and asked for a motion to approve the proposed budget. Doug made a motion to approve the budget and it was seconded by Ken. MOTION PASSED. [See the approved budget on page 7.]

Website

Janet Hirsch reported that the deadline for the next newsletter is August 20th.

LTPOA Minutes continued from previous page

Marilyn Meyer reported that she received an email from Clarue Holland stating they are getting ready to do the last testing for this season, this month.

Dam Report

Doug Leeker reported that Clarue Holland's email stated that a possum and a groundhog had been captured in the traps and they had died and were a mess to get out of the traps. Rich Hirsch stated that Blue Chip has a cellular monitor device in the trap that is supposed to signal when something has been captured, but the device was not working.

Old Business

President Blaha reported that a letter was sent to Alan Ricotta and his sister regarding the care of his property and the possibility that he may have renters living there. A resident stated that there are a lot of violations to report at Ricotta's. President Blaha said that last month Mr. Ricotta was reported to the Jefferson County Solid Waste Department and they gave him several citations and would be revisiting Mr. Ricotta in the beginning of September. Mike Steeno suggested that we could file suit against Mr. Ricotta.

President Blaha stated that John Dauernheim marked the roads that need repair and that he has received bids to do the repairs. There are 18 areas on the south side that need to be patched and an additional 4 inches of asphalt on the swale area near the beach. That would be bid #1 for \$41,461. The second bid, for \$57,907 would involve the process of chip and seal and would start after the swale area at the beach and continue up the hill and around the cul-de-sac and stop at the gate and then continue around the north side and end around the Droege's property at M23. The total for both bids would be \$99,368. President Blaha made a motion to accept the two bids for a total of \$99,368 and it

was seconded by Ken. MOTION PASSED.

President Blaha stated that he spoke with Triple C Lawn Care and they have purchased some new equipment and have begun the brush cutting.

Rick Hannick asked the Board to reconsider the date for lowering the lake. He would like for us to start in the middle of September to give him more time to work on his wall, before the weather gets cold. Steve stated that he would do his best to get that started at that time.

New Business

President Blaha reported that there is a clogged culvert at 7784 S. Lakeshore, that goes under the road and the next time Dale Wallen is at the lake, he will do an inspection.

Steve stated that the gate at the dam is in need of repairs. He stated that the maintenance yard gate needs some repair also.

Steve suggested the need to adopt a swimming pool application, to add to our building regulations, for anyone planning to install a pool. He asked for recommendations and stated that we would revisit this next month.

Ken Stojeba reported that a lake resident called him to report that some residents think the pontoon boats are racing boats. Suggestions were made on how to handle this situation.

Debbie Hill asked for a letter from the Board stating that their dock is a dock and not a seawall as they are going through litigation over this dock. She provided documents and drawings stating that the dock was built at the time their house was built and the dock belongs with their property. President Blaha stated that the Board would take a look and get back to her.

Steve stated that the father of resident Lisa Mahoney had passed away and her father had been a property owner. He asked for everyone to stand and have a moment of silence.

With no new business to discuss, Ken made a motion to adjourn and it was seconded by Doug. Motion passed.

Lake Tishomingo Community Sewer Report

by Janet Hirsch

Maintenance Visits

Effluent pump hours have been recorded and analyzed for each residence. Those STEP tanks with high annual usage rates will be visited by the treatment plant operator, inspected, and sludge and scum measured.

Proper Use of the System

To keep your system operating properly be careful about what you allow to go down the drain.

Do not use the garbage disposal excessively. Food by-products accelerate the need for septage pumping and increase maintenance. Collect grease in a container and dispose with your trash. Use paper towels to wipe pots and pans to soak up excess grease before washing. Compost table scraps or dispose with your trash.

Do use your trash can to dispose of substances that can clog filters, cause maintenance problems, and increase the need for septage pumping.

Do not put any of the following items into the system:

- Egg shells, large seeds, gum, coffee grounds
- Tea bags, chewing tobacco, cigarette butts
- Condoms, dental floss, sanitary napkins, tampons, diapers
- Paper towels, newspapers, candy wrappers
- Rags, large amounts of hair
- "Flushable" wipes, baby wipes, medicated wipes, cleaning wipes

For additional information about the proper use of the sewer system download the Sewer System Homeowner's Manual from the website:

www.laketishomingo.com/pwsd13.

Cell Phone (636) 667-0103

Missouri One-Call

The District is a part of the Missouri One-Call System. (The system was formerly known as "Dig Rite.") Missouri law requires that any person making or beginning any excavation notify MOCS at least three but not more than ten working days in advance, except in the case of an emergency.

Proper and efficient operation of our sewer system is vital to maintaining the quality of the lake.

Placing a locate request is free and easy! Call 1-800-DIG-RITE (800-344-7483) or 811 or place your request online at <http://www.mo1call.com>.

Before you start any excavation project at your Lake Tish property you must notify Missouri One-Call to have the sewer and other utility lines marked.
